

This hunt follows the 3km Te Rerenga Tunnel Track at TECT All Terrain Park – BUT BACKWARDS!

Before you hit the track, search around the Arrival Centre for this answer....

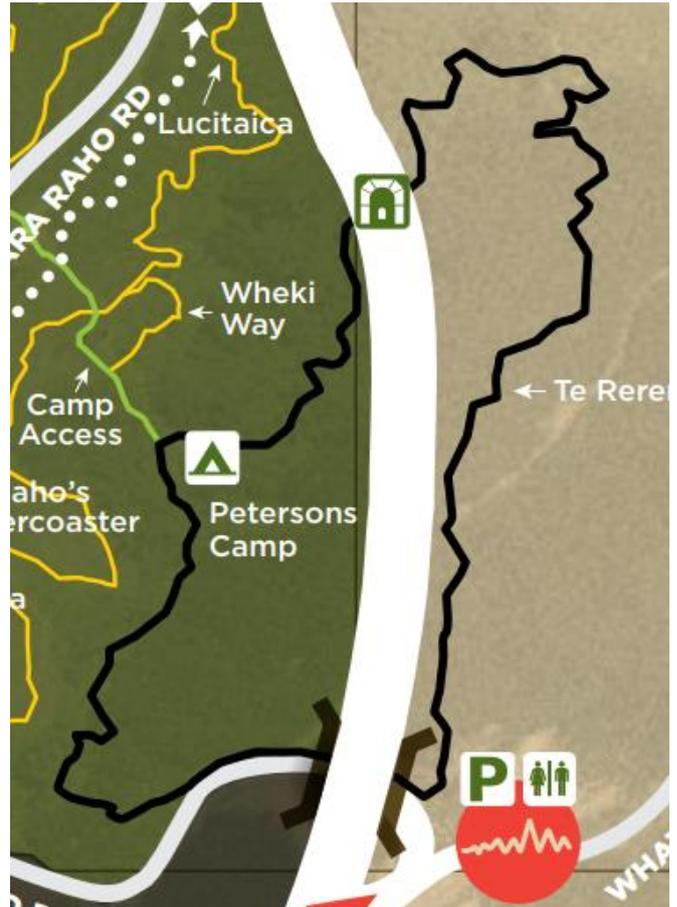

How many points are there on the main sculpture in the middle of the vehicle loop?

1.

2. Where does the water come from for the toilet block?

3. Head down toward the far end of the carpark, you are going to attempt this track backwards! Starting from the **finishing** marker for the Te Rerenga track. First marker should say Te Rerenga Tunnel Trail Finish (tag 185)

4. Go under the bridge and up the stairs. Once at the top, time 1 minute while walking. How many bushes, trees and plants can you name? Hint: Take photos so you can research them when you get home.

5. After the marker that says "shortcut" head down the stairs and pause. Close your eyes and describe/list all the things you can hear.

6. Take a seat at the fire pit and rest your legs. What are some important things to do before lighting a fire in the outdoors?

7. STOP!! Don't go through the gate, that's the horse track and you will get lost 😊 Look to the right, find the marker and head back into the bush.

8. Try finding a big pipe sticking out from under the ground. What is it for?

9. As you walk up this next little uphill, write down some things that you can do to ensure there is no damage to the bush environment. Spot the trees with 'hairy arms' don't they look funny 😊

10. You made it to the tunnel! Sing your favourite song and dance your way through the tunnel?

11. After the tunnel, count how many stairs there are until you reach the brown/clay like ground. You may want to rest after this and don't forget to sip your water. Look at all the shells on the ground, where do you think they came from?

12. Head through all the Christmas trees, don't they smell nice! Take a photo of you and your Whanau/family with the best looking one you can find.

13. The louder the cars, the closer you're getting to the carpark.
See if you can find something that looks like a bike wheel. How many spokes are there?

Send your answers by email to Philip Seed philips@sportbop.co.nz or by post to Sport BOP, PO Box 13 355, Tauranga 3141, don't forget to include your name and a contact email or phone number.

NOTE: Please apply safe practices; be aware of yourself and others while completing this course. Please ensure you are wearing clothing and footwear appropriate to weather conditions and uneven terrain. There is no need to enter any water or veer from the main trail to complete this challenge, and persons undertake this challenge at their own risk. This track is not accessible to all e.g. those with prams or in wheelchairs. Sport Bay of Plenty will not be liable should an injury, loss or damage occur while undertaking this course.
